

My dear students!

I hope you are all fine. We are spending a hard time not only here in Greece but all around the world. I hope and I believe that everything will be ok. but we all must be optimistic and change our way of living. See the whole situation as an opportunity to cope with things that we had forgotten. Like spending our time reading a book, or playing games, talking with our family members. DO NOT FORGET : the most important thing is to protect ourselves and our beloved by staying at home.

I also know that you have missed school and your teachers! To tell you the truth.....I HAVE MISSED YOU, TOO!!! So, in order to keep our life seem the same (hard...isn't it?) I am sending you a file ,with some exercisesso that to remind you that.....I AM HERE FOR YOU!!!!

I hope you find it interesting and amusing!!!!!!!!!!

See you soon.....my sweet faces!

REVISION PRACTICE

Read the following passage:

PLEASURELAND

Fun Filled Days Out!

Treat the family and friends to a day packed with fun is something everyone loves to do and booking for a day at Southport Pleasureland is simple. Open every weekend, bank holidays & most school holidays, we have an array of tickets to choose from, head to our Advance Purchase Packages page to find out more. With an amazing variety of things to see and do at Pleasureland including; big rides, small rides, play areas, entertainments and even bigger characters, there is always something to look forward to for the whole family. No matter what your age, you and your children will find something that will keep you coming back. Treat your family to a fun filled day at Southport Pleasureland.

The health and safety of our visitors and staff is of paramount importance. We, therefore, ask that our visitors respect the guidance given by ride operators in terms of safety on rides. Please respect the advice of the ride operator and don't ask them to bend the rules!

Parents and guardians must also take responsibility for the children in their care at all times as they have a duty of care to do so. Our park is completely smoke free – please respect this rule and only smoke outside the perimeter walls. We, of course, encourage our visitors to take the healthy option and cycle to Pleasureland! But we request that you do not cycle inside the park as this would be a hazard to our visitors.

In the event of severe weather, we may be forced to close rides for health and safety reasons. We don't like to do this but we have to consider the comfort of our visitors and our staff as well as any risks presented by strong wind and rain.

Experiences

Explore lands of endless enchantment, where your fantasy becomes a reality, we're more than just a Theme Park with rides and spectacular live entertainment shows, offering the ultimate family day out or holiday.
